

Guidelines

Grey Wolf Publications is looking to publish quality paranormal, spiritual and new age ebooks. It is important that people can come back time and again to look for ebooks which can help them on their spiritual path.

As expenses for publishing ebooks are so much lower than printed books we are able to offer our authors 50% royalties of any profit we make. This means that we will give you 50% of the purchase price of your ebook sold directly on www.greywolfpublications.com. If the ebook is sold on www.lulu.com, you will receive 50% of the money which we receive.

You keep all rights to your book. This means that you can publish your work with other publishers providing they do not want sole rights or that we don't already publish your ebook with them.

All we ask is that you give us 60 days notice if you decide to leave us. This is to enable us to remove your ebook(s) from all the websites we use and arrange final payment of any royalties that may be due to you.

We expect our authors to spend time in marketing and promoting their ebooks to enable them to sell as many as possible. We will promote your ebooks by ensuring that they are included on www.greywolfpublications.com and www.lulu.com.

Please abide by the following guidelines before submitting your book. We will reject any manuscript that doesn't respect them.

We will edit the work once accepted but please don't send us work that you haven't thoroughly checked yourself. If you don't spend the time and effort checking and rechecking your manuscript it is unlikely to be suitable for us to read.

Please create the following as one document and attach it to your email.

Covering Letter

Please include:

1. your name, address and email address.
2. a paragraph about yourself and any experience or qualifications you have in your subject matter. Please note that qualifications aren't necessary, if the book is good we will publish it regardless.
3. title of book
4. word count

Synopsis

Please include a summary of your book which should be no more than two A4 pages long. It doesn't need to be broken down into chapters but we need to see that the book has a beginning, middle and end and has been well thought out.

Sample Chapters

We need to see the first three chapters.
